We're an independent seafood restaurant, with our own fleet of UK fishing vessels. The scallops and most other shellfish and white fish on our menu are caught by us. Wherever possible, all other produce is sourced locally, with sustainability, conservation and seasonality in mind.

All our dishes are cooked fresh to order. Please advise a member of staff of any allergies prior to ordering.  
Full allergen information is available on request and while every care is taken, all dishes are prepared in the kitchen where allergens may be present.
